Synopsis :

"MAD MEN" MEETS "FIGHT CLUB" Hurt people hurt people. Say Holden Caulfield was an alcoholic and Lolita was a photographer's assistant and somehow they met in Bright Lights Big City. He's blinded by love. She by ambition. DIARY OF AN OXYGEN THIEF is honest, hilarious, and heartrending, but above all, a very real account of what we do to each other and what we allow to be done to us. Artsy, swoon-worthy, and kinky. New York Magazine's Scott Fitzgerald for the iPod generation. Richard Nash, Editor Soft Skull Publishing: Terrific and genuinely spooky. Caroline Marshall, Editor of Campaign London: First he steals the oxygen from you, then he spits it back in your face. One of the most interesting and controversial encounters I've made through a book. Lorenzo DeRita, Editor of COLORS Rome: A great, finely tuned, funny, unique, and oftentimes poetic voice. The sections about St. LaCroix are particularly amusing. Eric Obenaus, Publisher Two Dollar Radio, Brooklyn: Women seem to be very fond of this book, about a down-and-out guy who has lots of trouble with women. It's a surprise dark-horse Williamsburg bestseller. Jonas Kyle, Spoonbill & Sugartown Booksellers, Williamsburg: I loved it! The writer does a great job. Junot Diaz, author of The Brief and Wondrous Life of Oscar Wao: I read Diary of an Oxygen Thief while on holiday and I enjoyed it very much! Roddy Doyle, author of The Commitments and Paddy Clarke Ha Ha Ha
