## Synopsis :

About the Author Receiving one of the Texas Intercollegiate Press Association's highest awards for Journalistic Excellence, DL Tolleson also garnered awards for Feature Writing and News Photography from the Texas Community College Press Association. A one-time Fine Arts Consultant/Instructor under a state grant program to the Association for Retarded Citizens, he has also taught Creative Photography in the College for Kids program at Tarrant County College. Having received an Associate of Arts and an Associate of Applied Science from Tarrant County College, he will earn a Bachelor of Applied Arts and Science from the University of North Texas shortly after the publication of this novel. A former member of the Legal Assistant's Division of the Texas State Bar, he is a freelance photographer and self-described artist. Tolleson resides in Fort Worth, Texas --This text refers to an out of print or unavailable edition of this title. Read more
